JUNE 2017

CEO's Corner: How Can We Raise the Number of People Living Above the Poverty Line?

We have had a busy month awarding grants to 30 amazing organizations in Skagit Valley. Each and every one of them fulfill our vision of promoting positive change in our community.

On July 12, 2017, we will be hosting an event to shine a light on nonprofit organizations doing this work. Creating a community where no one is left behind requires a concerted, committed belief that we can craft a way forward. Do you want to be part of this effort?

For more info contact us via email at director@skagitcf.org.

“

Successful and effective leaders practice generosity and civility. Be generous on all occasions, in giving of your time, in giving considerable slack to someone with someone you disagree or someone who made a mistake. Civility, an attitude of thoughtfulness, shows respect and that you care.”

Dr. James Ford, Former SCF Board Member

Maiben House Receives Much Needed Remodel

This past month, Maiben House, a community building located in Maiben Park, received a \$65,000 remodel after sitting vacant for decades. We are encouraged to see the positive change this will have in our community not only for the 70 children with Boys & Girls Club of Skagit County who will be able to utilize it, but also for the many community members who will find the space useful for their own events.

The remodel was headed by Leadership Skagit's Team World Hues. This was made possible by partnerships with Burlington Rotary, Boys & Girls Clubs of Skagit County, the City of Burlington, and local business support throughout the community.

As a partner of Boys & Girls Club of Skagit County, we are proud to witness this community effort and we heartily support their presence in our neighborhoods.
